

Google Analytics

A one day, 5 star rated course from the Marketing Training experts

Google Analytics Course

This is a one day training course that will give you a good understanding of how to set up Google Analytics, how it works, what data can be obtained and how to use the data to improve your website and your marketing.

Google Analytics is a free website analysis tool that gives you insight into how visitors find your website and what they do when they get there. It also monitors your online marketing campaigns and social media traffic.

This Google Analytics course will help you understand how to make the most out of the data it provides to improve your website and marketing activities.

Suitability - Who should attend?

This training course is ideal for anyone who wants to use Google Analytics to monitor, analyse and improve their website and marketing activities.

You might have some experience of using Analytics, but it is not necessary for the course.
