GDPR Course

Our one-day GDPR training course is a must for understanding the implications of GDPR, what is best practice, and the secrets of practical implementation.

Introduction

Data Integrity is the responsibility of everyone in an organisation who uses data, such as emails and the phone, no matter what the job role.

Our course explains how GDPR applies to what you do on a day-to-day basis and how you can avoid the penalties imposed for getting it wrong.

We use practical examples and suggest simple solutions that can be readily applied.

Who would benefit from this course?

This GDPR course is designed for anyone who uses personal data within an organisation, which is usually any member of staff.

Classroom & Online Courses

We offer this course as a classroom based course and as a live, interactive online course.

Our classroom courses are run as public courses at the venues shown below or as a private course anywhere in the UK.

Our online Virtual Classroom courses are available for people anywhere in the world with internet access. You will be to able see the trainer, their screen, be able to chat and ask questions, just like on our regular classroom courses.

The course was a great, hands-on learning experience .

The group was small and informal which certainly aided my learning. Thanks
