

Photoshop Course

We offer private Photoshop training on a one to one or group basis for beginners to intermediate levels.

Introduction

Photoshop is the most used and respected professional image editing tool. It used by photographers, design agencies and commercial organisations throughout the world.

However, it is a deep and complex tool which requires considerable skill to use effectively. We offer invaluable practical courses that will shorten your learning curve so you become more proficient in a short period of time.

Who would benefit from this course?

Our Photoshop course can be designed to meet almost anyone's requirements, whether you are a novice or have already have some Photoshop experience..

Private & One to One courses

We offer private group courses and one-to-one courses throughout the UK. From £690 for a 1 day classroom-based course and from £590 for a private Online course. Please email or call us with your preferred venue, number of delegates and any requests.

Classroom & Virtual Classroom Courses

We offer this course as a classroom based course and as a live, interactive online course.

Our classroom courses are run as public courses at the venues shown below or as a private course anywhere in the UK.

Our online Virtual Classroom courses are available for people anywhere in the world with internet access. You will be able to see the trainer, their screen, be able to chat and ask questions, just like on our regular classroom courses.

5.0 ★★★★★

The [Photoshop] course was very informative and well-structured with good materials to work on and documents to refer back to. I managed to apply my new skills to a couple of new projects we are currently working on which is great.

Veronika Seiwald | Takagi Europe

Photoshop

Course Outline

This course is offered as a private course. You can choose what you want to cover and choose from half a day to two or more days of training.
